

City of Inglewood General Plan Update: Visioning Process

Goal: Create a shared community vision that will guide the City’s future.

	PHASE I				PHASE II
	Spring/Summer 2024	Summer 2024	Fall 2024	Winter 2024	TBD
	LEARNING ABOUT THE COMMUNITY	UNDERSTANDING THE COMMUNITY	CREATING OUR VISION	SHARING OUR VISION	GENERAL PLAN UPDATE (SEPARATE PROCESS)
 WHAT WE'RE TALKING ABOUT AND WORKING ON	- What is a General Plan? Why does it matter to me? - How can I participate? - What are the city's biggest issues? - How can Inglewood elevate to the next level? - What is my vision for Inglewood's future?	- The project team will prepare the Community Snapshot and Market Studies - The project team will draft the Vision Statement based on community input	- What we learned and why it matters: Market Study and Community Snapshot - What we heard: Public input received in the first workshop, public comments, digital engagement, and stakeholder feedback - Present Draft Vision Statement to the public: Did we get it right?	- Approve the community's shared vision for elevating Inglewood to the next level - Establish the foundation for updating the General Plan to align with the community's vision	- How should the General Plan propose where new housing, businesses, and parks will be developed? - How should the General Plan address issues such as mobility, jobs, safety, environmental justice, placemaking, and other issues identified in the visioning stage?
 HOW TO PARTICIPATE	- Community Workshop: Existing Conditions and Issues - Stakeholder Meetings - Pop-up Events - Social Media Updates	- Ongoing Stakeholder Meetings - Social Media Updates	- Community Workshop: Review Draft Vision Statement - Pop-up Events - Social Media Updates	- Planning Commission - City Council	Outreach efforts may include: Community Workshops, Surveys, Stakeholder Meetings, Pop-ups, Planning Commission and City Council Meetings, Social Media Updates
