INGLEWOOD
FORGING OUR DESTINY

COMMUNITY OPEN HOUSE MEETING

Saturday, September 6, 2025
10am–2pm

Center of Hope
9550 Crenshaw Blvd.

The City of Inglewood is looking to the future and updating its General Plan, which guides decisions on how the City will physically grow and change in the years to come. Throughout 2024, we engaged with the community to create a shared vision for Inglewood's future. Now, we want to hear your ideas and thoughts on specific areas in Inglewood that may need more attention or change.

Join us anytime between 10am and 2pm to share your input on potential areas of change in Inglewood and learn about the results of the community-driven visioning process.

Bring your friends and family

- Free food, parking, and activities for kids
- Chance to win prizes
- Spanish interpreters available

Visit NextLevelInglewood.com to learn more about the Inglewood General Plan Update and sign up for the project email list.
