

1 OVERVIEW

The first Community Workshop for Phase Two of Inglewood's General Plan Update was held in-person at the Church of Hope on Saturday, September 6, 2025. The in-person workshop had 50 attendees who officially signed into the workshop and an additional 20 individuals who were observed to have been in attendance. The workshop provided engagement activities to solicit input on the potential areas of land use change and recommendations for future land uses in those areas during the General Plan Update process and present the Vision Statement and guiding principles from Phase One of the General Plan Update.

At the workshop, two distinct areas of the venue provided opportunities for participants to learn about the project and provide comments in an open house format, with all materials provided in both English and Spanish languages. The first area included printed and linked materials explaining work products from Phase One, overviews of the General Plan Update and Phase Two outreach program, and a short video that presented the Vision Statement resulting from public comment received during Phase One. The first area also presented a map titled "Tell Us About Yourself" (provided in Appendix A) to collect information from participants about where they live and work in Inglewood and their favorite places in the city. There were approximately 150 stickers added to the board, with most indicating favorite places. Participants primarily chose the Hollywood Park Specific Plan Area, Downtown Inglewood, and Darby Park as their favorite parts of Inglewood.

The second area included an interactive activity to collect input from participants on the areas of Inglewood they believe could or should change in the future and the land uses they envision in those areas. Community members were able to choose from 20 stickers with various land use types and one sticker with a write-in option for placement on large format maps of quadrants of the city. The maps included ideas for potential areas of future change recommended by the General Plan Advisory Committee (GPAC). The sticker options included various types and scales of residential, mixed-use, and nonresidential uses. Participants were also provided the opportunity to add a comment to accompany their sticker. In total, there were approximately 300 stickers added to all of the boards. The second area of the workshop also included boards presenting the Vision Statement and guiding principles from Phase One, as well as activities for children to share what they would like their neighborhood to be or complete coloring pages of landmarks in the city.

In addition to the in-person workshop, Inglewood residents and stakeholders were given the opportunity to respond to the same questions pertaining to land uses through an interactive online survey using Social Pinpoint, a community engagement tool. There were a total of 89 responses provided on the land use maps in the online survey. The land use change mapping activity from Community Meeting #1 was also replicated with attendees at a District 4 Town Hall on September 17, 2025 and the Hispanic Heritage Festival held on September 20, 2025. The comments gathered at all of the in-person and online activities described above are summarized in the following section and detailed in the accompanying appendix.

2 KEY TAKEAWAYS

A number of recurring themes emerged from community input on the areas and types of changes for Inglewood. Participants expressed interest in developing pedestrian-oriented retail centers and corridors (rather than auto-oriented areas), a variety of multifamily housing types and small and large parks. They also envisioned additional vertical mixed-use projects at various scales. The “Other” sticker category received the highest number of votes with write-in land uses requests that included grocery stores, senior housing, and specific types of public recreational areas and parks.

These insights will serve as a guide for developing the updated Land Use Plan and ensuring that the General Plan reflects the priorities and future development goals of the city’s residents and stakeholders.

A summary of votes for the top two most-selected land use types in each focus area recommended by the GPAC and identified in other areas of the city are included below. Focus areas and neighborhoods with only one voted land use type had no other land use options selected. For any land use where one of the top two most-voted land use types is “Other,” the total number of votes for the written comments were adapted and edited for conciseness below.

Appendix A provides a map summary of the results organized by the focus areas. Scans of the workshop boards with comments are included as Appendix B. Additionally, Appendix C provides spreadsheets that show the total number of votes tallied from Community Meeting #1, the online survey, and the two pop-up events and the written comments received.

Focus Areas

1. **Focus Area A:** Centinela Avenue #1 (Centinela Avenue between East Hyde Park Place and East Florence Avenue)
 - Pedestrian-Oriented Retail Center: 4 votes
 - Multi-Family Residential (2-3 Stories) and Pedestrian-Oriented Retail Street: T-3 votes each
2. **Focus Area B:** North La Brea Avenue #1 (North La Brea Avenue between Centinela Avenue and Florence Avenue)
 - Retail Center with Housing and Pedestrian-Oriented Retail Center: T-2 votes each
 - Multi-Family Residential (4-5 Stories), Multi-Family Residential (8+ Stories), Vertical Mixed-Use (2-3 Stories), Horizontal Mixed-Use, Pedestrian-Oriented Retail Street, Office Building, Hotel/Entertainment, and Small Park: T-1 vote each
3. **Focus Area C:** Prairie Avenue #1 (Prairie Avenue between Florence Avenue and Century Boulevard)
 - Hotel/Entertainment: 5 votes

- Pedestrian-Oriented Retail Street and Large Park: T-4 votes each
4. **Focus Area D:** Prairie Avenue #2 (Along Prairie Avenue and Imperial Highway Corridors)
 - Multi-Family Residential (8+ Stories): 4 votes
 - Vertical Mixed-Use (4-5 Stories): 3 votes
 5. **Focus Area E:** La Brea Avenue (La Brea Avenue between Century Boulevard and the Intersection of South La Brea Avenue and East Spruce Avenue)
 - Pedestrian-Oriented Retail Street: 2 votes
 - Duplex/Triplex/Quadplex/Courtyard, Vertical Mixed-Use (4-5 Stories), Auto-Oriented Retail Street, and Auto-Oriented Retail Center: T-1 vote each
 6. **Focus Area F:** Century Boulevard (Century Boulevard between Prairie Ave and South Redfern Avenue)
 - Vertical Mixed-Use (6-7 Stories): 6 votes
 - Retail Center with Housing and Hotel/Entertainment: T-2 votes each
 7. **Focus Area G:** West Manchester Boulevard (West Manchester Boulevard between South La Cienega Boulevard and South Eucalyptus Avenue)
 - Multi-Family Residential (4-5 Stories): 3 votes
 - Duplex/Triplex/Quadplex/Courtyard: 2 votes
 8. **Focus Area H:** Centinela Avenue #2 (Centinela Ave between South La Cienega Boulevard and North La Brea Avenue)
 - Multi-Family Residential (2-3 Stories) and Pedestrian-Oriented Retail Center: T-3 votes each
 9. **Focus Area I:** North La Brea Avenue #2 (North La Brea Avenue between West 64th Street and Centinela Avenue)
 - Pedestrian-Oriented Retail Street: 4 votes
 - Pedestrian-Oriented Retail Center: 2 votes
 10. **Focus Area J:** Manchester Boulevard (Manchester Boulevard between the area around South 11th Avenue to South Van Ness Avenue)
 - Retail Center with Housing: 4 votes
 - Duplex/Triplex/Quadplex/Courtyard and Grocery Stores/Trader Joe's (voted in Other category): T-3 votes each
 11. **Focus Area K:** Adjacent to Hollywood Park Specific Plan (HPSP) Area #1
 - Pedestrian-Oriented Retail Street: 5 votes
 - Retail Center with Housing: 4 votes
 12. **Focus Area L:** Southeastern Inglewood (Transit-Oriented Development (TOD) Area)
 - Duplex/Triplex/Quadplex/Courtyard as Senior Housing (voted in Other category): 4 votes

- Multi-Family Residential (4-5 Stories), Retail Center with Housing, Pedestrian-Oriented Retail Center, Auto-Oriented Retail Street, and Industrial with Other Uses: T-2 votes each

13. **Focus Area M:** Downtown Inglewood

- Pedestrian-Oriented Retail Street: 16 votes
- Vertical Mixed-Use (6-7 Stories): 5 votes

14. **Focus Area N:** Industrial Area

- Industrial with Other Uses: 10 votes
- Industrial/Manufacturing: 7 votes

15. **Focus Area O:** Medical District

- Duplex/Triplex/Quadplex/Courtyard: 2 votes
- Multi-Family Residential (4-5 Stories), Retail Center with Housing, Office Building, and Small Park: T-1 vote each

16. **Focus Area P:** Adjacent to Hollywood Park Specific Plan (HPSP) Area #2

- Grocery Stores/Trader Joe's (voted in Other category): 3 votes
- Vertical Mixed-Use (4-5 Stories) and Large Park: T-2 votes each

17. **Focus Area Q:** 79th and Van Ness

- Small Park: 4 votes
- Vertical Mixed-Use (2-3 Stories): 2 votes

Neighborhoods

18. **Focus Area R:** Arbor Village

- Other (3 votes for Outdoor Recreational Activity): 6 votes
- Duplex/Triplex/Quadplex/Courtyard: 5 votes

19. **Focus Area S:** Centinela Heights

- Pedestrian-Oriented Retail Street and Small Park: T-2 votes each

20. **Focus Area T:** Century Heights

- Small Park: 1 vote

21. **Focus Area U:** Fairview Heights

- Other (3 votes for Park (size not specified): 4 votes
- Vertical Mixed-Use (4-5 Stories) and Industrial with Other Uses: T-3 votes each

22. **Focus Area V:** Imperial Village:

- Duplex/Triplex/Quadplex/Courtyard, Multi-Family Residential (2-3 Stories), Vertical Mixed-Use (2-3 Stories), and Other (Trader Joe's): T-1 vote each

23. **Focus Area W:** Inglewood Knolls

- Multi-Family Residential (2-3 Stories), Retail Center with Housing, and Small Park: T-1 vote each

24. **Focus Area X:** Industrial Area

- Industrial/Manufacturing: 3 votes
- Industrial with Other Uses: 1 vote

25. **Focus Area Y:** La Tijera Village

- Small Park: 4 votes
- Duplex/Triplex/Quadplex/Courtyard: 2 votes

26. **Focus Area Z:** Lockhaven

- Duplex/Triplex/Quadplex/Courtyard: 9 votes
- Large Park and Other (3 votes for Trader Joe's and 2 votes for Senior Housing): T-8 votes each

27. **Focus Area AA:** Morningside Park

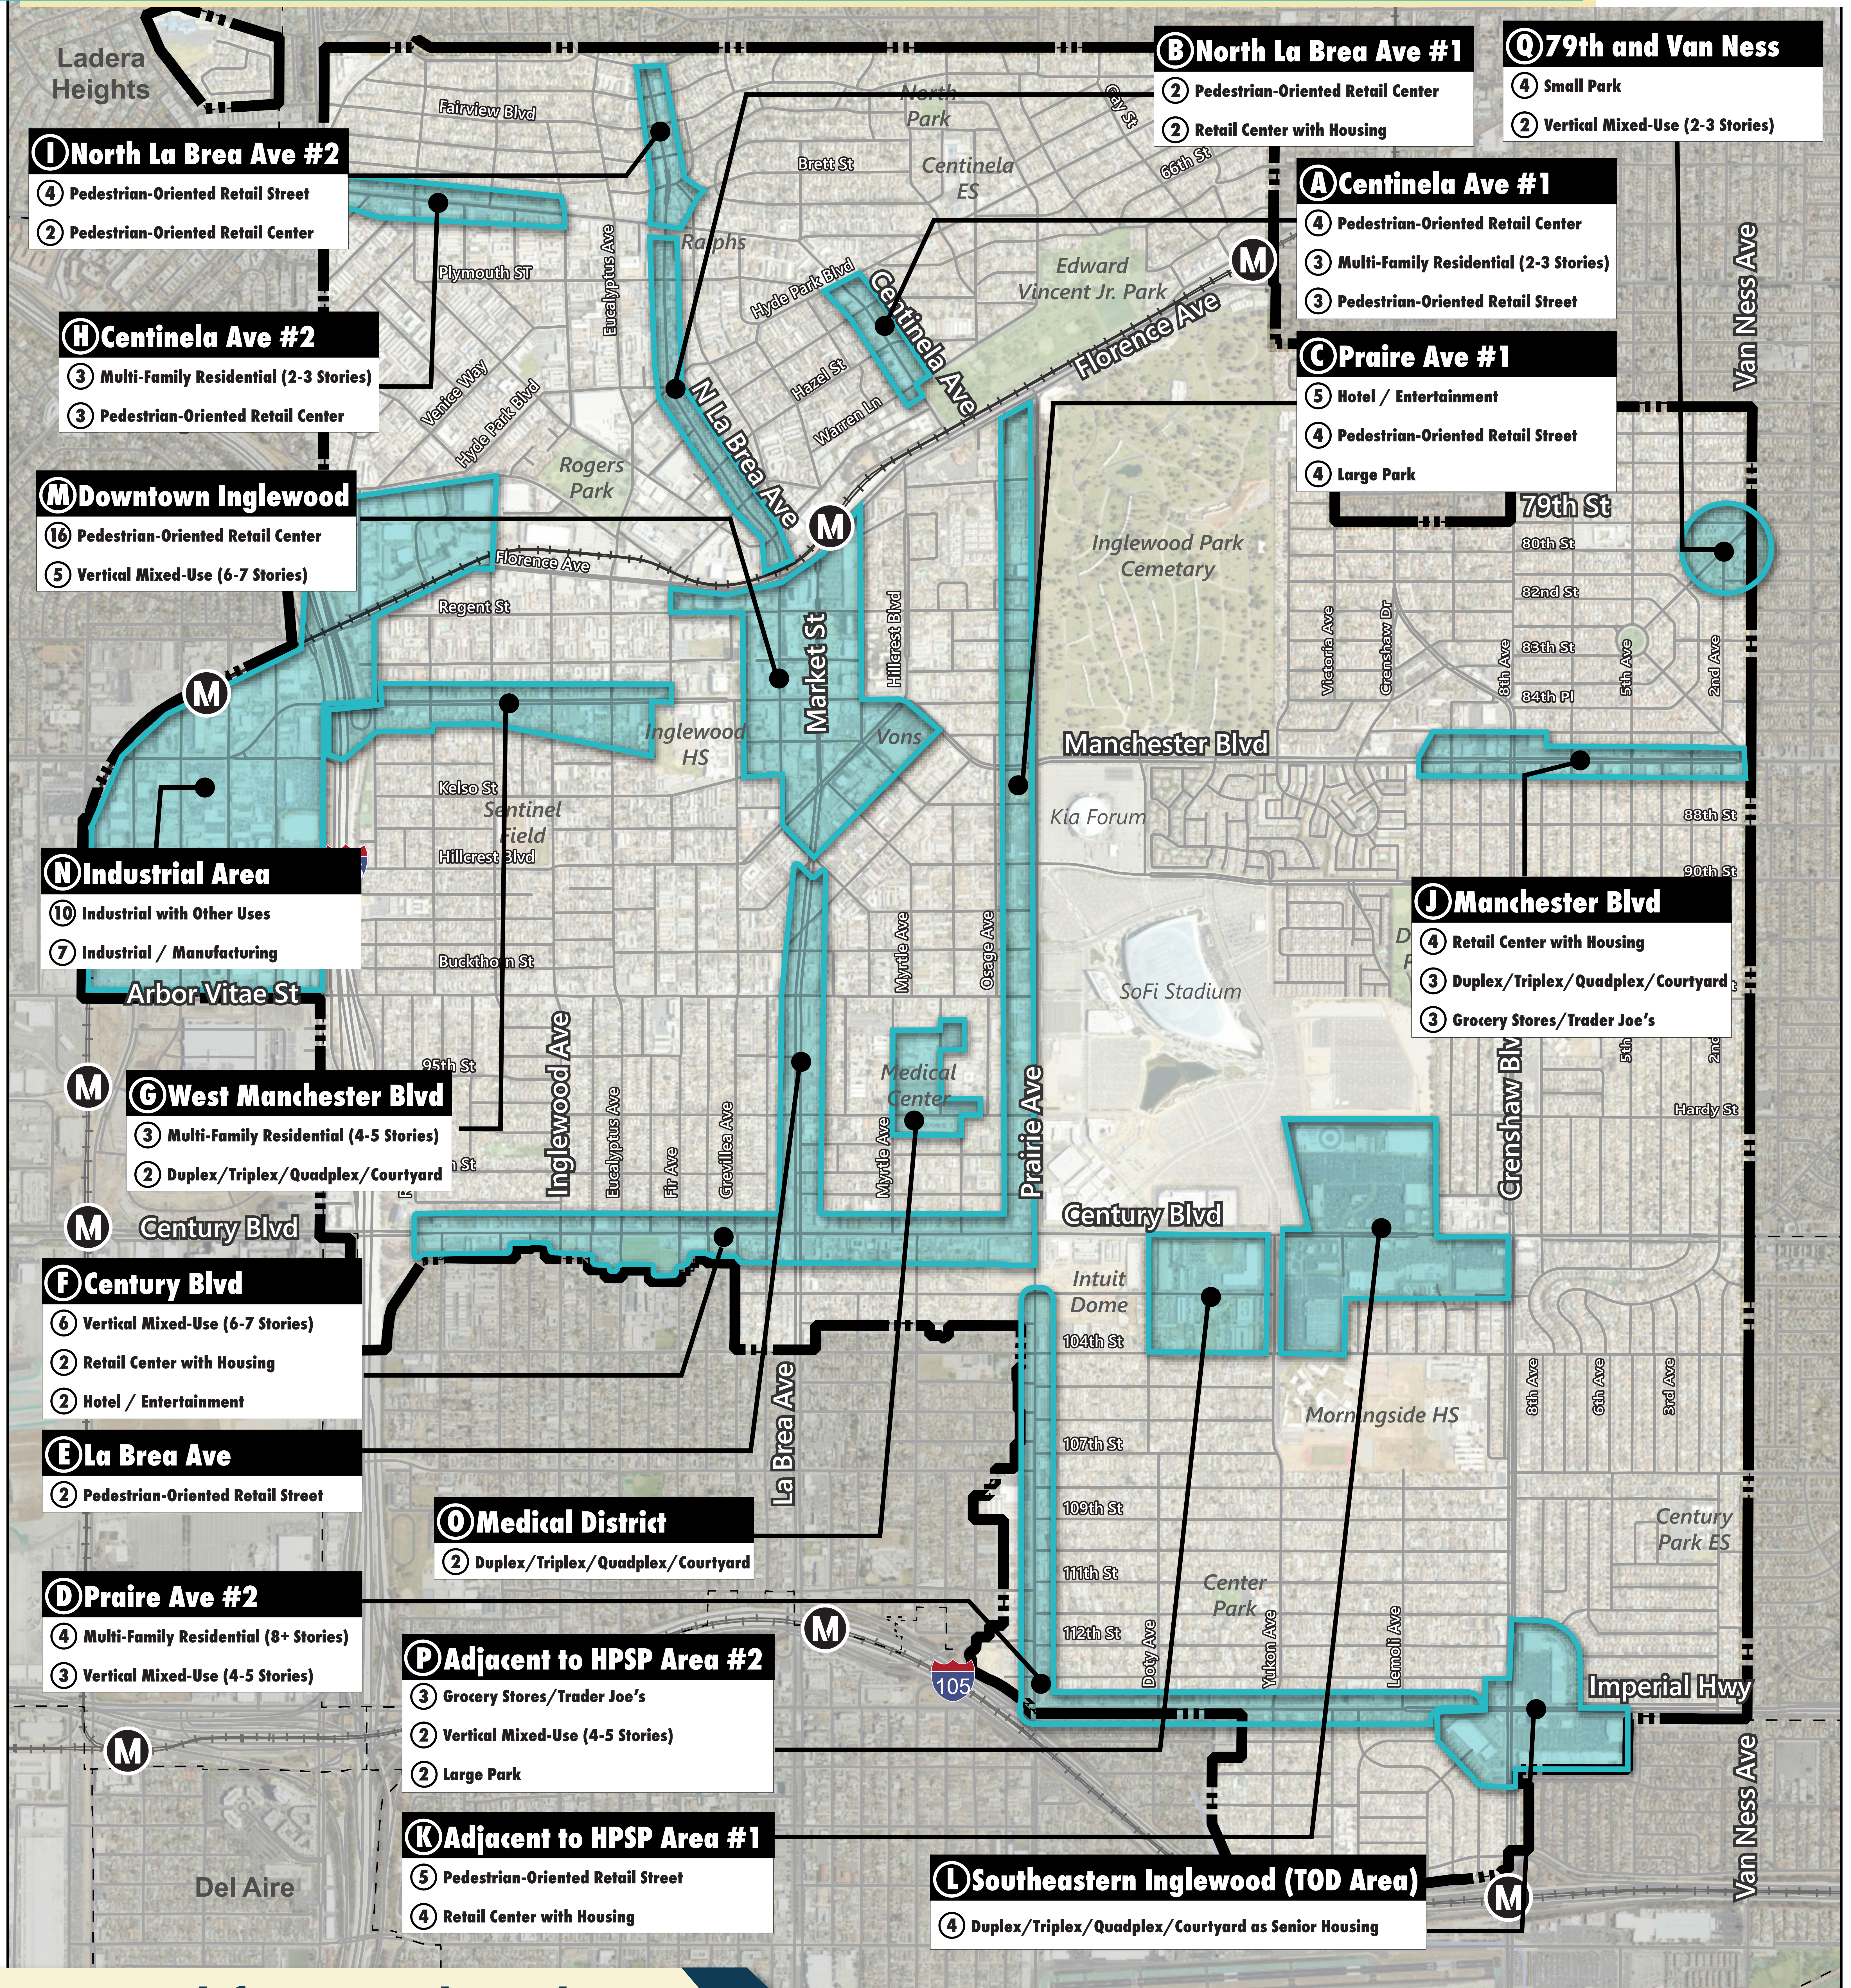

- Retail Center with Housing and Small Park: T-3 votes each
- Pedestrian-Oriented Retail Center and Auto-Oriented Retail Street: T-2 votes each

28. **Focus Area AB:** Sports Village

- Other (2 votes for Senior Housing): 4 votes
- Duplex/Triplex/Quadplex/Courtyard and Small Park: T-3 votes each

APPENDIX A: LAND USE CHANGE COMMENTS SUMMARY MAP

APPENDIX A. LAND USE CHANGE COMMENTS SUMMARY MAP

Note: Each focus area shows the top two land uses, and a single land use is shown in the event of a tie among more than two.

NUMBER OF VOTES

POTENTIAL FOCUS AREAS

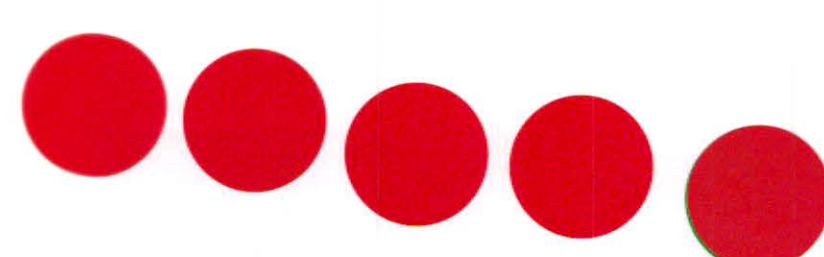

The General Plan will provide a framework to guide or encourage land use changes in **FOCUS AREAS**. Focus Areas were identified by the project team and the General Plan Advisory Committee as areas that may be physically or economically underutilized, have a large number of vacancies, provide an opportunity for consolidation or diversification of land uses, and/or associated with a use that can trigger economic change.

WHAT LAND USES SHOULD BE ENCOURAGED IN INGLEWOOD? ¿QUÉ USOS DEL SUELO DEBERÍAN SER FOMENTADOS EN INGLEWOOD?

1) REVIEW THE FOCUS AREAS

The General Plan will provide a framework to guide or encourage land use changes in **FOCUS AREAS**. Do you agree these areas may change? Are there additional areas you think are suitable for change or improvement.

1) REVISAR LAS ÁREAS DE ENFOQUE

El Plan General proporcionará un marco para guiar o alentar los cambios en el uso del suelo en las **ÁREAS DE ENFOQUE**. ¿Estás de acuerdo en que estas áreas pueden cambiar? ¿Hay áreas adicionales que consideres adecuadas para cambios o mejoras?

2) REVIEW THE LAND USE MENU

The land use menu shows example images of potential land use types for the City of Inglewood.

2) REVISAR EL MENÚ DE USO DEL SUELO

El menú de uso del suelo muestra imágenes de ejemplo de posibles tipos de uso del suelo para la ciudad de Inglewood.

3) GUIDE LAND USE CHANGES

Place stickers on the map to indicate what land uses would be appropriate in areas that may change over the next 20 years.

3) GUIAR CAMBIOS DE USO DEL SUELO

Colocar etiquetas en el mapa para indicar qué usos del suelo serían apropiados en áreas que pueden cambiar en los próximos 20 años.

Focus Areas									
Focus Area A: Centinela Avenue #1 (Centinela Avenue between East Hyde Park Place and East Florence Avenue)	5	improve traffic flow	Improve traffic congestion caused by fast food drive through.	Please take care of all the RVs illegally parked in front of Amazon Fresh.	Repaving the streets. The condition of the road in this area is extremely outdated with visible cracks.	Keep this area clean! Make the fast food chains concentrated in this area accountable for the trash they produce everyday since it's a threat to our environment.			
Focus Area B: North La Brea Avenue #1 (North La Brea Avenue between Centinela Avenue and Florence Avenue)	0								
Focus Area C: Prairie Avenue #1 (Prairie Avenue between Florence Avenue and Century Boulevard)	1	Bike & Transport Hub							
Focus Area D: Prairie Avenue #2 (Along Prairie Avenue and Imperial Highway Corridors)	5	Above and around walking paths	Above and around walking paths	Duplex/Triplex/Quadplex/Courtyard as Senior Housing	Senior Housing with Duplex and Quadplex	Senior Housing with Duplex and Quadplex			
Focus Area E: La Brea Avenue (La Brea Avenue between Century Boulevard and the Intersection of South La Brea Avenue and East Spruce Avenue)	0								
Focus Area F: Century Boulevard (Century Boulevard between Prairie Ave and South Redfern Avenue)	4	Workforce housing	Rethink the ITC from the Airport to the Hollywood Park. A straight line via W Century blvd, or Arbor Vitae St. makes sense to have an easy access to the entertainment district from LAX. This will create an easy access from all the visitors all over the world coming to LAX and go to the stadiums. Right now they have to land, take the metro to Inglewood, and then take a bus/shuttle, which is not ideal.	Disagree with the marker next to me. Arbor Vitae is a residential street, tightknit area, and has no business being ruined by ITC bs being peddled by Metro and Butts	Illegible				
Focus Area G: West Manchester Boulevard (West Manchester Boulevard between South La Cienega Boulevard and South Eucalyptus Avenue)	0								
Focus Area H: Centinela Avenue (Centinela Ave between South La Cienega Boulevard and North La Brea Avenue)	1	New Uses in Existing Buildings							
Focus Area I: North La Brea Avenue (North La Brea Avenue between West 64th Street and Centinela Avenue)	1	Small Businesses in Existing Buildings							
Focus Area J: Manchester Boulevard (Manchester Boulevard between the area around South 11th Avenue to South Van Ness Avenue)	3	Trader Joe's	Trader Joe's	Grocery Store/Healthy Food Options					
Focus Area K: Adjacent to Hollywood Park Specific Plan (HPSP) Area #1	2	Trader Joe's	Aboveground parking						
Focus Area L: Southeastern Inglewood (Transit-Oriented Development Area)	6	Trader Joe's	Duplex/Triplex/Quadplex/Courtyard as Senior Housing	Duplex/Triplex/Quadplex/Courtyard as Senior Housing	Duplex/Triplex/Quadplex/Courtyard as Senior Housing	Duplex/Triplex/Quadplex/Courtyard as Senior Housing	Illegible		
Focus Area M: Downtown Inglewood	5	Boutique Pet Grooming Salon and Spa	Dog Grooming	Bike and Transport Hub	Local Systems/Trolley System	Fountains that spout out water like at Culver City near Culver Hotel and on Universal City Walk. More fountains in general throughout city for aesthetics			
Focus Area N: Industrial Area	6	Duplex/Triplex/Quadplex/Courtyard included writing for "Senior" housing	Hire a local artist to rebrand/rework on the Inglewood sign. Look how pretty Culver City fonts and city branding is. Also, trash is everywhere behind the the Inglewood wall. Clean it and make it pretty.	The road of this section of La Cienega was heavily damaged with cracks. Recently the city added some patches, but made it even worse. Please, repave it.	There's already been renderings (gentrified of course) of what they want to do here, so current and lifelong residents, SPEAK UP)	Food Mall like Long Beach Hangar Food Mall or Anaheim Packing District	Parking structures for events and then bus to connect to railway system to bring people to SoFi and Intuit to decrease traffic impact on community members. Venues would sell pre-parking only or for season pass holders.		
Focus Area O: Medical District	0								
Focus Area P: Adjacent to Hollywood Park Specific Plan (HPSP) Area #2	5	Trader Joe's	Trader Joe's	Trade Joe's, Sprouts, restaurants instead of fast food	Splash pad	There are tennis courts at Morningside High School that can be converted to pickleball complex			
Focus Area Q: 79th and Van Ness	2	Data Science Sports Magnet School	Splash pad park						
Neighborhoods									
Focus Area R: Arbor Village	6	Please get rid of the random empty lots. There are at least 3 in this area.	just saw the ymca announcement, so great start!!!	Improve programs and amenities at Siminiski. Again Morales has done nothing and has probably hasn't set foot in this area in decades. DISTRICT 3 exists South past Arbor Vitae, Eloy!	A small park or green area can be converted from this overflow lot off the 405. Much needed, since it's currently empty and used by homeless folks. The sidewalk from Redfern to Arbor Vitae can be converted to a walking trail. Absolutely no one walks on this side of the street due to the city and Caltrans complete refusal of safety and keep up. The residents literally use their own equipment to keep the sidewalk as clean as possible.	The residents of this area, use to have access many years ago to the track. I understand why it's been closed, BUT, residents still use the entire block to jog and exercise. Converting the sidewalk to a trail of sorts (think Wise burn corridor in Hawthorne) so that it becomes exercise friendly.	Something on this street city related. Morales has done NOTHING to improve visibility and improvements in Arbor Village		
Focus Area S: Centinela Heights	0								
Focus Area T: Century Heights	0

	Number of Votes	Comment #1	Comment #2	Comment #3	Comment #4	Comment #5	Comment #6	Comment #7	Comment #8
Focus Area U: Fairview Heights	4	Dog Park	Skate Park	rename the park back to its original name, which we all still refer to it as. Dont erase our rich history and lets right a wrong. Plenty of other parks (north park, queen st park) can be renamed if Ed Vincent is so special	Food and Retail				
Focus Area V: Imperial Village	1	Trader Joes							
Focus Area W: Inglewood Knolls	0								
Focus Area X: Industrial Area	0								
Focus Area Y: La Tijera Village	0								
Focus Area Z: Lockhaven	8	Youth Centers	Senior Housing	Senior Housing	Arts and Community Center	Community Center / Green Space	Trader Joe's in the new housing area being built there	Trader Joes	Trader Joe's
Focus Area AA: Morningside Park	1	Youth Centers							
Focus Area AB: Sports Village	4	Dog Park	Senior Housing	Senior Housing	Park Patrols/Security				
Outside of City Boundaries	2	Youth Centers	Please, take care of all the RVs and homeless encampments on Centinela Av.. They're causing major traffic congestion, and occupy illegally the side of the street.
